

News Release: For your Immediate Attention August 4, 2014

Excalibur Data Recovery, Inc., formerly of 13 Branch St., Suite 207B, Methuen, MA would like to announce...

WE'VE MOVED ! WE'RE EXPANDING! WELCOME!

Our new address is: 5 Manor Parkway, Suite A, Salem, NH 03079

The New local primary telephone number is: 603-458-5736

Our 800-466-0893 number is still active and calls will transfer for a short time from our old number should you call (978-681-1200). And as always, you can reach us on line through our website:

www.excaliburdatarecovery.com and our email: excaliburdr@rcn.com

As we announced in June, we moved on 8/1/14 to a larger facility to better serve those who still rely upon Excalibur to provide the exceptional support they've grown accustomed to for their data recovery requirements (regardless of media type, storage capability and configuration).

The new office is directly off of Route 93, Exit 2 in Salem, NH just a few miles from our previous office location in MA. This new facility will continue to allow easy access to our local clients in the New England area if courier services are required as well as giving our clients an easy walk in location (should they so desire to do so). Please, come check us out!

Again, thank you to all of our clients who have worked with us throughout the 20 years we have been in the data recovery business. Thank you for continuing with Excalibur as we made our transition from our first office in Billerica, MA to Methuen, MA where we were for almost 9 years prior to this new venture. We look forward to servicing your account at our new recovery facility in Salem, NH!

Darlene Keough- Trask, President & C.O.O.
